Objective

Motivated programming student seeking an internship or junior developer role to apply full-stack development skills, contribute to team success, and gain hands-on experience in software development.

Education

Diploma in Programming

Princess Nora Bint Abdulrahman University, 2023 - 2025

Cooperative Training

King Fahad Medical City – Full Stack Developer Intern

- Built and deployed web applications using ASP.NET Web Forms and MVC.
- Created and managed SQL Server databases with stored procedures and triggers.
- Implemented CRUD functionality, data validation, and export to Excel/PDF features.
- Worked with Entity Framework, Visual Studio, and ADO.NET.
- Collaborated with team to deliver a family management system (events calendar and expense tracker).

Work Experience

Receptionist – Aloha Spa

- Scheduled appointments and managed office calendar.
- Performed accurate data entry and maintained client records.
- Provided excellent customer service and responded to inquiries.

IT Specialist – Smartcat (Remote, Without Contract)

Dec 2024 – Current

- Provided technical support and software troubleshooting.
- Handled basic development tasks and customer assistance in tech-related services.

Projects

Family Management System (ASP.NET Web Forms + SQL Server)

- Developed event scheduling and task assignment features.
- Created calendar integration and reminders for family events.
- Implemented expense tracking module with monthly reporting and classification.

Employee Clearance and Permit Management System

- Automated employee clearance and permit requests for a large hospital.
- Integrated role-based access and real-time GridView filtering.
- Enabled Excel/PDF export and full validation with ASP.NET

Technical Skills

- Languages: C#, Java, Python, JavaScript, HTML, CSS, PHP
- Frameworks: ASP.NET (Web Forms, MVC), Entity Framework
- Databases: Microsoft SQL Server (Queries, Stored Procedures, Triggers)
- Tools: Visual Studio, VS Code, PyCharm, Android Studio
- Concepts: CRUD, Data Validation, Backup & Restore, Deployment

Soft Skills

- Problem Solving
- Team Collaboration
- Time Management
- Effective Communication
- Adaptability

Languages

- Arabic (Native)
- English (Intermediate)
